

MOP DADDY

VACATE CLEAN

Our Vacate Clean is a top-to-bottom detailed service designed to help prepare the property for final inspection and maximise the chances of a successful bond return.

Unlike regular cleaning, vacate cleans focus on restoring the property to inspection-ready condition, including detailing areas often missed during routine maintenance. If your agent identifies any cleaning-related issues within 72 hours, we'll return to address them free of charge.

VACATE CLEAN CONDITIONS

Property Must Be Vacant

- **Vacate cleans are completed once furniture and belongings have been removed unless otherwise arranged.**

Utilities

- **Power and water must remain connected during the service.**

Heavy Build-Up

- **Properties with excessive grease, mould, staining, pet hair, or neglect may require additional time and charges.**

Timeframes

- **Vacate cleans are detailed services and may take significantly longer than standard cleans.**

Clean Guarantee

- **If your agent identifies any cleaning-related issues within 72 hours, we'll return to address them free of charge.**
